GENESEAN

All hail the blue and gold
Our Alma Mater;
We will be true to thee forevermore.
Mem'ries of youth, of carefree life
Surround thee,
Mem'ries of happiness within
Your walls.
We'll always cherish friendships
Made within thee,
Our Alma Mater, West Genesee.

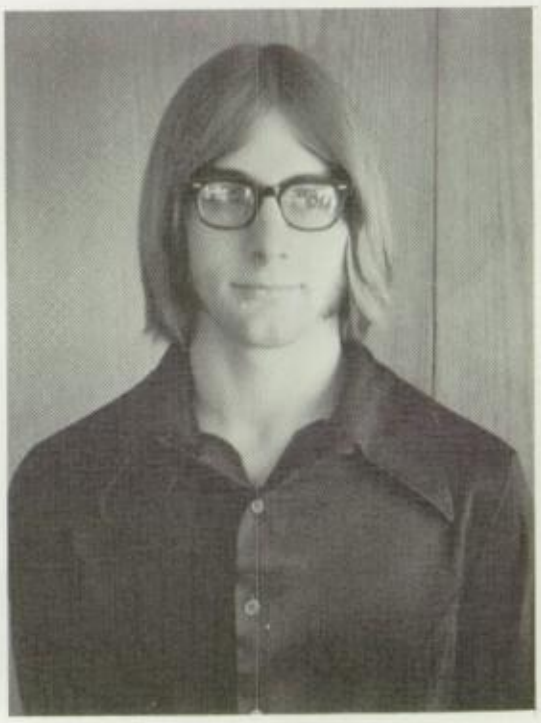
student council

President - Dave Kulle
Secretary - Vicki Hunt

Vice President - Chris Donohoe
Treasurer - Barb Phillips

Sergeant at Arms-
Kirk Mulbach



The officers and the delegates for the 1970-71 Student Council were elected under a new system of petitioning rather than the old practice of nominating conventions and campaign parties. With this new system of election came many new ideas and proposals. Many of these ideas were realized and showed up in the schedule of events which the Council sponsored this year. Main events included: a Folk Fest, School Seal Contest, Christmas Semi-Formal, and a Winter Weekend. The Council is also supporting a Foster Child in Columbia and has donated funds to the newly forming Senior Lounge, Alumni Association, Argosy House, a missionary in the Philippines, and to the school for the twenty foot Christmas Tree which was placed in the courtyard. The Council ended the year with a new event at West Genesee: a Spring Weekend. The weekend included a spaghetti dinner, school picnic and a rock concert.

winter weekend

row 1: sharon doyle, kyle brandhorst, barb buecheler row 2: cindy clary, debbie de staffen, karen howles, betsy ware

On the weekend of January 15th and 16th, Student Council held its Winter Weekend entitled "Snow-time". Friday night, during the halftime of the Varsity basketball game, Karen Howles was crowned Homecoming Queen. The Senior Members of her court were Cindy Clary, Debbie DeStaffen, and Betsy Ware. The class princesses were the following: Freshman-Sharon Doyle, Sophomore-Barb Buecheler, and Junior-Kyle Brandhorst. On Saturday, various activities took place. The cafeteria was set up with a coffee house atmosphere where refreshments could be purchased. The gym was open all afternoon and interclass volleyball and basketball tournaments were held. The Seniors managed to win the volley-ball tournament and the girl's and boy's basketball tournaments. Also, in the afternoon, there was a snow sculpturing contest and the swimming pool was open. The results of the snow sculpturing contest were: Pep Club-Most Loveable-Winnie-the Pooh; Sigma Delta Fraternity-Funniest-Fist; Honor Society-Most Original-Turtle. The weekend was concluded Saturday night with a dance featuring the Corner Store.

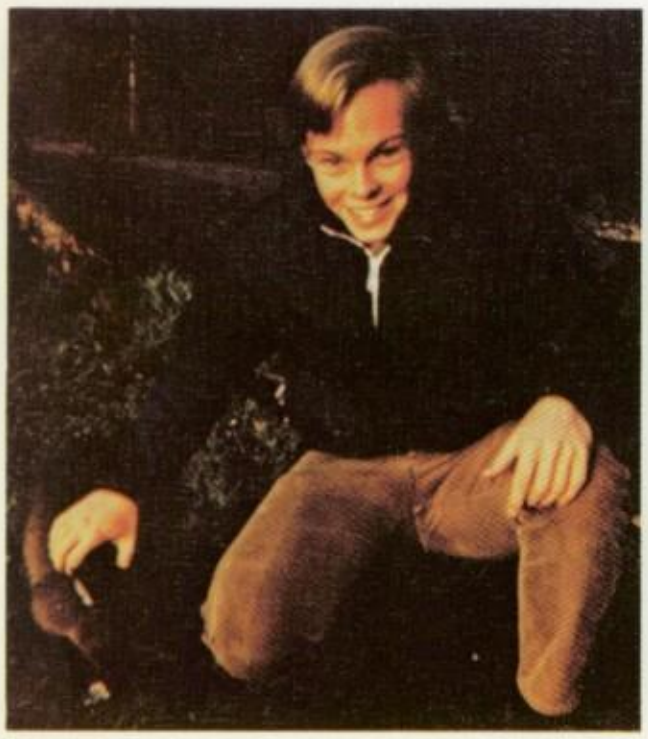
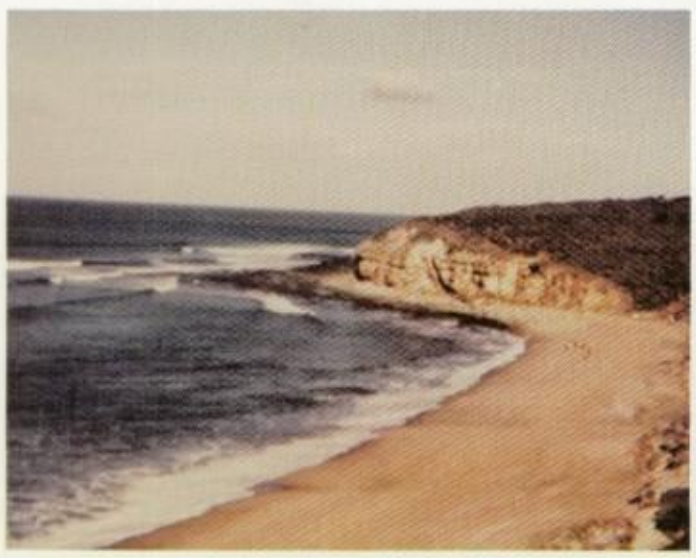
from brazil

to australia





Hi,

Few people are lucky enough to do what I've done this year, as a foreign student in the U.S.A. This experience has been terrific and valuable; it makes me so happy just to think about what I've learned in contact with a different culture and meeting new people every day.

I want to thank you, all my friends and teachers at W.G., who have been very nice and helpful to me every day during this year.

It will be hard for me to say goodbye to everyone here, but I will take with me nice memories and I'll never forget this special year in my whole life.

Love,
Lorelei Mori (Lori)

afs students travel

Hi,

The summer of 1970 is one which I will never forget. The trip itself, the people that I met, and all the things I did have added a great deal to my life and has had a great effect upon it.

I met with a group of fifty other students in San Francisco who were all going to Australia. These students came from all over the United States. I made many friendships within this group as well as in Australia.

My "Aussie" family was great. "Mum", Dad, Auntie, and my brothers Andrew and Mathew made me feel like one of the family. My "mates" in school really made me feel like one of them despite the fact that I was a "Yank" and I had an accent. In short, I made many lasting and memorable acquaintances and friendships. I hope to keep on traveling and meeting people from all countries of the world.

I would like to take this opportunity to extend my deepest and most sincere gratitude to all those in A.F.S. and all others who made this trip possible.

administration

Best wishes and good luck to each and every member of the Class of 1971.

As Seniors you no doubt leave West Genesee Senior High School with mixed emotion and thought. To many of you high school has been a truly enjoyable experience. To others it has been tolerable. To a very few it has merely been tolerated. The faculty wishes that you could have found each day during the past four years as an exciting enjoyable and stimulating experience. Unfortunately, not everyday affords such prospectus.

But life is not to be just tolerated. There will be times when it might be just tolerable. However, most times it can be a constant challenge, a true joy, a delight if you are willing to make it so.

Each of us has different interests, needs, desires and understanding of situations. As you look toward further education, service obligations, full-time employment or home responsibilities, first and foremost - understand yourself. Try to be true to this self by staying active, healthy, concerned, involved and always productive. If you do so, you will be happy, contented with yourself and those about you. It is your choice. The emphasis is on you.

Congratulations. May each day of your future be bright and happy.

This year, for the first time, West Genesee offered hockey to interested boys. Captain of the team was Bob Schmitt and home for the Wildcat Six was the State Fair Coliseum.

The spectators who were loyal enough to stay with the team throughout the season saw games that were played quite well, considering the team's first year status. Certainly, these fans saw the improvement with which the team played each week.

Congratulations to Coach Anka and the following boys for their fine efforts this season: Jim Barron, Paul Barron, John Druskat, Paul Druskat, Dan Ellithorpe, Darryl Ellithorpe, Shawn George, Dave Gravina, Jack Knowlton, Dick Lundblad, Dave Lyons, Stu Nelson, Bill O'Hara, Tadd Parr, Kerry Regan, Mike Salvetti, Bob Schmitt, B. J. Simone, Paul Stavrus, Jim Tobey.

I am the Spirit of Competition. I live in the hearts and minds of youth everywhere, giving them the desire to excel in all of their athletic endeavors. I am the driving force that has helped and always will help these youths to reach their goals . . . to sprint to the last yard of the race, to make the winning goal, to keep the opposing wrestler pinned to the full count. I am the force that pitches a shut-out game or makes the winning basket in the final ten seconds of play . . . to earn the highest acclaim for the team and the school.

The 1970-1971 Varsity Club would like to thank first our advisor, Mr. Wormuth. With his aid we were able to conquer our financial difficulties and bring our membership from 5 members to 26. This year we had such fund-raising projects as a donkey basketball game and a spring dance. The officers this year were B. J. O'Hara, secretary, Jim Rosecrans, treasurer, and Les Beebe, president.

Leader's Club is basically a service club. We aid in officiating games and setting up tournaments for all of the girls' sports. We also help set up the Girls' Athletic Banquet which is held annually. This Christmas we aided a needy family by giving over 100 dollars in food, clothes, and gifts. The club tries to give girls who join a better view of the principles of sports and good leadership.

key club

The objective of Key Club is to develop the necessary initiative to uphold the ideals based upon democratic principle and individual liberty.

The American Field Service is an organization that tries to help the foreign student at West Genesee feel more at home, meet new people, and make more friends. The club's major activity is the fund-raising drive held annually. The proceeds from the drive enable us to bring a foreign student to West Genesee for the school year and to send one of our students to a foreign country during the summer months.

accolade

Accolade is edited and published biannually. The magazine contains the best of carefully selected student writing and art. This year our concentration on greater diversification has produced photography, songs, and critical essays in addition to the customarily provocative selection of poetry and short stories. It is our hope that **Accolade** will continue to grow as a quality publication. It can be as good as those who are willing to devote their time and talent to it.

wildcat newspaper

The **Wildcat** was started to keep the students of West Genesee informed about what is happening. Another objective of the paper is to give students experience in producing a newspaper and learn what goes into the making of a newspaper. We hope to continue, with student support and participation, to put out the paper, stressing articles about current student concerns.

chess club

In Chess Club each member endeavors to improve his chess game. To do this, members play each other and seek advice from their classmates and Mr. Whitmore, the advisor. For further experience and fun, demonstrations and tournaments between schools are held. With all its activities, Chess Club is the ideal place to sharpen your game.

library club

Learning how books are rebound at the library bindery, providing effective service to students who use the library, selecting and selling paperbacks, sending books abroad, and participation in the Tri-County Student Librarians Association Conference at LaFayette High School provided inspiration, adventure, and discovery for the members of Library Club.

honor society

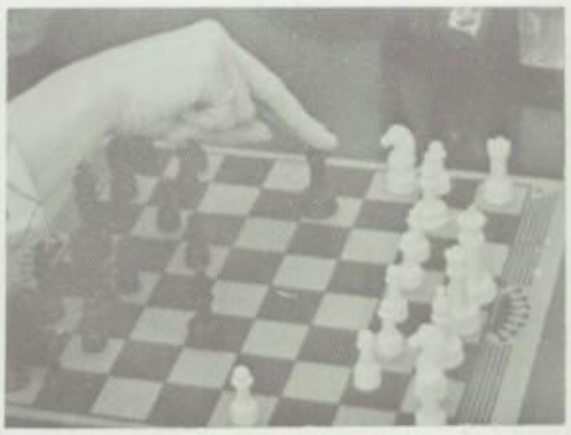
This year the National Honor Society at West Genesee has continued the tutoring system which was set up last year for everyone in the school. As a special project we have had volunteers working at the N. Y. State School for Retarded Children. A dance was held featuring "World" in an attempt to raise money, perhaps to buy equipment or toys for children in the state school.



ski club

West Genesee Ski Club can proudly say that it has made much progress from the years before. We had some real good times this winter with our Friday night and Saturday ski trips. The season also included trips to Intermont by a group of 24 West Genesee students interested in being trained in skiing technique. We didn't complete all our set goals but left a format that following ski clubs can use to reach theirs.

drama club

The December production of "Madwoman of Chaillot" generated interest so that several set to work rehearsing and directing several one-act plays. A workshop presentation of "Waiting for Godot" by S. Beckett, "The Bald Soprano" by E. Ionesco, "The Sandbox" by Albee, "Inherit the Wind" by Jerome and Lee, and "Rumplestiltskin" was given March 18. These plays were directed and acted by students who wanted to participate in furthering dramatics at West Genesee.

The Distributive Education Club of America (DECA) is a job-opportunity club. Through this club the students were able to secure a part-time job from an employer participating in the program. When the student is hired, he reports for work afternoons, and if required, Saturdays. As a class, the period is devoted to special areas geared to the student's career objective in the field of his choice. The school store is run by the club, and they also sell candy.
